

Steps to complete Fence Planner:

- 1. Draw shape of block on fence planner.
- 2. Sketch shape of house and position. Include pool location or future pool location and any other structures. Mark all structures clearly house, shed, pool etc:
- 3. Mark where fencing is required and approximate length see example;
- 4. Mark position of gates and approximate width
- 5. What style of fence do you want see type, styles on website eg: Timber flat top no gap or size of gap
